

PAYMENT METHOD

step1:Create Paypal account

step2:go to magento admin page

>store>config>sales>payment method

contry select

PayPal Express Checkout >cofigure

The screenshot shows the Magento 2 admin interface in a Firefox browser. The left sidebar contains navigation menus for Dashboard, Sales, Catalog, Customers, Marketing, Content, Reports, Stores, and System. The main content area is titled 'Configuration' and shows the 'Required PayPal Settings' section. The 'Express Checkout' subsection is expanded, displaying various configuration fields. The 'Email Associated with PayPal Merchant Account (Optional)' field is set to 'savadkt642+personal@gmail.com'. The 'API Authentication Methods' dropdown is set to 'API Signature'. The 'API Username', 'API Password', and 'API Signature' fields are masked with dots. Below these fields are buttons for 'Get Credentials from PayPal' and 'Sandbox Credentials'. The 'Sandbox Mode' dropdown is set to 'Yes', and the 'API Uses Proxy' dropdown is set to 'No'. At the bottom, there are checkboxes for 'Enable this Solution' and 'Enable In-Context Checkout Experience', both set to 'Yes'. The 'Merchant Account ID' field is set to 'TS7J3QEHDUAB6'. A 'Save Config' button is visible in the top right corner.

Basic Settings - PayPal Express Checkout

Api user name,password,api signature (go to developer.paypal.com)

Sand box>account>create account>create custom account

Create two account

1 for business savadkt642+business@gmail.com

2 for personal savadkt642+personal@gmail.com

Go to business account
Manage account>view&edit
>api credentials
User name,password,signature(copy)
And paste
PayPal Express Checkout >configure

Merchand id (sand box Manage account>view&edit)
Profile a/c id

The screenshot shows the PayPal Developer portal interface. A modal window titled "Account details" is open, displaying the "API Credentials" tab. The modal shows the following information:

- NVP/SOAP Sandbox API Credentials**
- Username:** sb-ifmg16324164_api1.business.example.com
- Password:** AHF54ASWCHVVEXMP
- Signature:** A5MWg9qAxlLHXcOt4u7-Dwg4vSaTAzo-4ffGn1niVYWPSBcnK86gjEhu

Below the modal, a table lists the accounts. The table has columns for account type, name, status, and creation date. The accounts listed are:

Account Type	Account Name	Status	Creation Date
Business	savadkt642+business@gmail.com	IN	17 Jun 2022
Personal	savadkt642+personal@gmail.com	IN	17 Jun 2022
Personal	sb-dk2ed15196944@personal.examp...	IN	17 Jun 2022
Business	sb-mm1517288429@business.examp...	IN	17 Jun 2022

The interface also includes a sidebar with navigation options like "Dashboard", "My Apps & Credentials", "My Account", "Sandbox", "Mock", and "Live". A "Feedback" button is visible in the bottom right corner.
